MEMORANDUM AND ORDER

08 CV 1635 (ENV)

VITALIANO, D.J.

The Court is in receipt of nearly two dozen letters and faxes from *pro se* petitioner Scott Myers "referencing" the above captioned case. Most of this correspondence consists of carbon copies of letters sent to other state and federal judges regarding matters pending before those courts and bears no relation to the instant action. The continued mailing and faxing of such materials to chambers serves no purpose other than to waste the Court's limited resources. Going forward, Myers shall desist from sending the Court any documents not directly relevant to his pending petition for habeas corpus. Further, all original documents in this action shall be filed with the Court's Pro Se Department (718) 613-2665 located at 225 Cadman Plaza East, Room 118 South, Brooklyn, NY 11201, and shall not be copied to chambers by mail or fax without prior authorization.

SO ORDERED.
